NEED-BASED PROGRAMS

Save up to 75% on Your Fertility Medications

ReUnite Assist offers discounts of up to 75% off select fertility medications based on your level of financial need. In addition, ReUnite Assist will match Compassionate Care Program discounts of up to 50%!

Eligible Medications

- Follistim AQ Cartridge (follitropin beta injection)
- Ganirelix Acetate Injection (brand name)
- Pregnyl (chorionic gonadotropin for injection, USP)

Eligibility Requirements

- Cash-pay prescriptions (100% uninsured)
- Current proof of income (IRS 1040 tax form)
- Discount expires one year from the date issued
- Cannot be combined with other ReUnite program discounts
- Copy of Compassionate Care approval letter is required to obtain discount match

Application Instructions

1. [Apply Online](#) for ReUnite Assist.
2. Complete your personal information.
3. Upload your IRS 1040 tax form.
4. Submit your application. You will receive an email notification within 24-48 hours regarding your application status.
5. If approved, provide MDR with the Member ID number contained in the email and we will apply the discount to your prescription.

Instructions for Discount Match

1. [Apply Online](#) for ReUnite Assist.
2. If you have been approved for a greater discount through the Compassionate Care Program, email the approval letter to your MDR Care Coordinator.
3. MDR will secure a discount match from ReUnite Assist (up to 50%) and apply the discount to your prescription.

Guaranteed Savings – No Matter Your Income

Fertility medications can be expensive and MDR is here to help. If you fail to qualify for an income-based financial assistance program, you are eligible to receive a 5% discount on select fertility medications through MDR Assist.

Eligible Medications

- Follistim AQ Cartridge (follitropin beta injection)
- Ganirelix Acetate Injection (brand name)
- Pregnyl (chorionic gonadotropin for injection, USP)

Eligibility Criteria

- You were denied financial assistance by another program. Qualifying programs include ReUnite Assist and Compassionate Care.
- Requires denial notification dated within the prior 60 days.
- The discount must be applied at the time of purchase and cannot be applied to past purchases.
- Cannot be combined with other discounts offered by MDR.

Application Instructions

1. Ask your doctor to send your prescription to MDR.
2. Email the denial notification from the other program to MDRAssist@mdrusa.com.
3. MDR will apply a 5% discount to the cost of your prescriptions (including any refills).

No Cost Medication for Injured Veterans

Heart for Heroes helps injured veterans and their spouses obtain select fertility medications at no cost. To qualify, you must be medically separated from active duty due to a service-related injury resulting in infertility.

Eligible Medications

- Menopur (menotropins for injection)
- Novarel (chorionic gonadotropin for injection)
- Fyremadel (ganirelix acetate) injection
- Endometrin (progesterone insert)

Eligibility Requirements

- Medically separated from active duty
- Department of Defense Category 2 or 3 veteran*
- The service-related injury resulted in infertility requiring assisted reproduction
- Must be a resident of the 50 United States or the District of Columbia
- Patient and/or spouse has no insurance coverage for infertility medications
- Prescription must be filled at MDR Pharmacy

Enrollment Instructions

1. Download the [Heart for Heroes Enrollment Form](#).
2. Ask your physician to certify your eligibility on the enrollment form and fax it to MDR at **(888) 939-2020**.
3. MDR will ship the medication directly to you at no cost.

*Category 2 veterans include those with a serious injury or illness, who are unlikely to return to duty within a time specified by his or her Military Department, and who may be medically separated from the military. Category 3 veterans include those who have a severe or catastrophic injury or illness, who are highly unlikely to return to duty, and who most likely will be medically separated from the military.

ONCOFERTILITY PROGRAMS

Cancer Patients Save on Select Medications

Cancer treatments can impact a woman's fertility. Fortunately, fertility preservation options exist, but generally the costs are not covered by insurance. ReUnite Oncofertility helps to reduce the costs for fertility preservation by offering a discount of up to 100% on select medications. The discount a patient receives is determined by her level of financial need.

Eligible Medications

- Follistim AQ Cartridge (follitropin beta injection) – Limit of 2700 IU
- Ganirelix Acetate Injection (brand name) – Limit of 5 syringes
- Pregnyl (chorionic gonadotropin for injection, USP) – Limit of 1 vial

Eligibility Requirements

- Female patient requiring cancer treatments affecting her fertility
- No prior chemotherapy
- Cash-pay prescriptions (100% uninsured)
- Completed Oncologist Form
- Current proof of income (IRS 1040 tax form)

Application Instructions

1. Download the [Oncologist Form](#) and ask your oncologist to complete the form to certify your eligibility.
2. [Apply Online](#). You will be asked to upload the completed Oncologist Form and a current IRS 1040 tax form.
3. Submit your enrollment application. You will receive an email notification within 24-48 hours regarding your application status.
4. If approved, provide MDR with the Member ID number contained in the email and we will apply the discount to your prescription.

COVID-19 PROGRAMS

Assistance for Patients during COVID-19

The ReUnite Reassurance program offers financial relief to fertility patients whose IVF cycles are canceled due to COVID-19. If quarantine for COVID-19 resulted in the cancellation of your cycle, ReUnite Reassurance will replace any used Follistim AQ, Ganirelix Acetate, and Pregnyl at no cost to you.

Eligible Medications

- Follistim AQ Cartridge (follitropin beta injection) – Limit of 2700 IU
- Ganirelix Acetate Injection (brand name) – Limit of 5 syringes
- Pregnyl (chorionic gonadotropin for injection, USP) – Limit of 1 vial

Program Requirements

- IVF cycle cancellation due to quarantine for COVID-19.
- Program application must be received the same day the cycle is cancelled
- Patient was taking Follistim AQ during the cancelled cycle
- Cash-pay prescriptions (100% uninsured)
- Medications were purchased at MDR Fertility Pharmacy

Application Instructions

1. Download the [ReUnite Reassurance Program Form](#).
2. Ask your physician to complete the program form and provide medical records documenting a canceled IVF cycle due to quarantine for COVID-19.
3. Email info@reuniterx.com with the completed ReUnite Reassurance Program Form and medical records documenting a canceled cycle due to COVID-19.
4. You will receive an email notification from ReUnite within 48 hours regarding your application status.

Assistance for Patients during COVID-19 or a Natural Disaster

The HeartFelt Program offers financial relief to fertility patients whose cycles were canceled as a result of COVID-19 or a natural disaster resulting in a state of emergency and who have initiated a new cycle. Cash-pay patients who qualify will receive medication replacement of Menopur and generic Ganirelix Acetate Injection at no additional cost. Commercially insured patients who qualify will receive a rebate of up to \$250 towards their copay costs.

Eligible Medications

- Menopur (menotropins for injection) – Limit of 15 vials
- Ganirelix Acetate Injection (generic) – Limit of 5 syringes

Eligibility Requirements

- Cash-pay and commercially insured prescriptions
- Cycle was cancelled due to COVID-19
- New cycle was initiated before program deadline.
- Patient was taking Menopur during the cancelled cycle

Application Instructions

1. If you were cash-pay for your medications, download the [HeartFelt Medication Replacement Application](#). If you used commercial insurance, download the [HeartFelt Co-Pay Assistance Application](#).
2. Complete the program application along with your physician.
3. Email the following documents to heartfelt@envisionrx.com:
 - Completed program application
 - Medical records showing the medications utilized prior to cycle cancellation
 - Proof of purchase (i.e. itemized pharmacy receipt)
 - Prescription for new cycle
4. You will be notified via email regarding your application status. If approved, cash-pay patients will be shipped replacement medication at no cost. Commercially insured patients will receive a rebate check within 45 days of approval notification.
